### S. S. and R. C. Conference.

Sunday School conference commenced Saturday February 15 at 10 o'clock a. m. In this conference, reports from the different Sunday Schools of the Stake, were given by their Supts. and class exercises from the schools were rendered for the purpose of showing the manner in which the class exercises of the several schools were carried on.

Instructions were given to the officers and teachers in the meetings and in special officers and teachers meeting by Dr. Tanner and Elder Summerhays.

The Religion Class Conference convened Sunday evening reports of the ward classes and exercises from the same were given after which with much interest the officers and members listened to the instructions and comments of the visiting authorities.

The conference was spent with great benefit and in the best of spirit by all who attended, both from other places and from the home town.

The following are those who attended the conference from the other wards, and if we have missed the name of any one who attended it will be a slip of the pen and not an intentional omission:

Bishop Joseph Udall and sons, O. M. Bigelow, J. T. Rencher and sister, the Misses Butler, Tom Berry and son, E. A. Noble, B. L. Gibbons and wife, Lee Roy Lesueuer, Miss Bigelow, Hyrum, Bailey and Rebecca Nelson, Mrs. Elizabeth Pulsipher and daughter Mrs. Dora Harris, Mrs. L. R. Gibbons, Miss Cheney, David Pulsipher, Misses Brown, Jarvis, Eagar, Lottie Kempe, Messrs Crosby, Slade, Brown, and a host of other young people who perhaps we have omitted on account of not being able to learn their names.

## True Economy

The difference in cost between an alum baking powder and the highest-class cream of tartar baking powder would not amount for a family's supply to one dollar a year.

Dr. Price's is the standard cream of tartar baking powder. It makes the food delicious and healthful.

NOTE.—You cannot, if you value good health, afford to use cheap, low-grade, alum baking powders. They are apt to spoil the food; they endanger the health. All physicians will tell you that alum in food is deleterious.

### Visitors Entertained.

President Udall arranged an impromptu but novel entertainment for the amusement of our distinguished visitors, Dr. Tanner and Elder Summerhays of Salt Lake City, who assisted in conducting the recent conference here. The entertainment was given in the Academy, Monday evening and consisted of numerous songs, instrumental selections, recitations, etc. The young folks of the city showed their ability to entertain on short notice. Our guests made the flattering remark that St. Johns talent would be a credit to Salt Lake City.

After the entertainment—musical and literary was ended—the crowd adjourned to the Assembly Hall and indulged in that famous light fantastic amusement of dancing until a late hour. All went home happy and feeling as if a debt of gratitude was due those who so kindly furnished the amusement for the evening.

### Educational Lecture.

The people of St. Johns enjoyed a rare treat on Tuesday evening. Elder Summerhays and Dr. Tanner of Salt Lake City gave lectures to an audience of as appreciative listeners as could be found anywhere. Elder Summerhays thoroughly outlined the value of music in the home and in the school. His words were carefully noted by all and much profit will come of that address.

Dr. Tanner seconded what Elder Summerhays said about music and then turned upon the subject of books. Many were the valuable points with reference to the usefulness, etc., of books were emphasized by the learned Doctor, who has himself been guided since his youth by good literature. He illustrated part of his talk by personal allusions. He started in life as a poor boy and worked for his education. He is a graduate of Harvard. He emphasized this maxim of his own formation: "An ounce of desire is worth more than a pocket full of money." All were delighted with the talks.

What next Bro. Webb? It has been currently reported by the Phoenix press that Sam F. Webb has taken charge of the Arizona Democrat. In Tuesday's Gazette appears the announcement that the Arizona Gazette has also fallen into Mr. Webb's hands. It was announced that the Democrat will remain Democratic, but Mr. Webb failed to tell us about the future politics of the Gazette. Mr. Webb promises to make the Gazette an up-to-date sheet.

WERNER, OF BALTIMORE, MARYLAND. Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent car specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERNER, 725 S. Broadway, Baltimore, Md. Our treatment does not interfere with your usual occupation. Examination and advice free.
